

## **THE KING JOHN SCHOOL**

### **EQUALITY STATEMENT**

The King John School is committed to meeting its responsibilities in relation to the Equality Act of 2010.

It is our aim to ensure that we follow the 3 aims of the act in all that we do. The aims are:

- Eliminate discrimination, harassment and victimisation and any other conduct that is prohibited by or under the Act.
- Advance equality of opportunity between people who share a relevant protected characteristic and people who do not share it.
- Foster good relations between people who share a relevant protected characteristic and those who do not share it.

Information within the school is regularly analysed to ensure that school users who have any of the protected characteristics have the same quality of experience at the school as those who do not share it.

Targets to address equality issues are considered central to our whole school development. These are set and evaluated annually as part of the overall school development plan.
