- ✓ Will take responsibility for all their social media activity at home and at school

Aims of the School

The King John School intends to provide the best possible education for each of its students. We aim to deliver a quality educational experience for all students through developing their abilities so that they achieve appropriate knowledge, concepts, skills and attitudes which will enable them to reach their potential and become independent learners capable of taking their place in society.

In order to do this we try to ensure that the knowledge and concern of the staff are focused effectively on the needs of each individual child. There is a structured plan of personal, educational and vocational guidance, and a regular assessment of the performance and progress of each student.

High standards of behaviour, appearance and work are expected. We encourage respect for others, self-discipline and full and active participation in school. We believe that good personal, social and academic discipline is the starting point for achieving success in life. We want your children to be happy and fulfilled at school and we offer a friendly environment, encouragement to work hard, and the opportunity to succeed.

We maintain an orderly and disciplined school in which our aims can be achieved.

The School will:-

- ✓ Encourage students to do their best at all times
- ✓ Encourage students to follow the School Rules and Code of Conduct and meet the expectations for all students
- ✓ Encourage students to take care of our school environment
- ✓ Inform parents about any concerns or problems relating to their child's work or behaviour
- ✓ Contact parents if there is a problem with attendance, punctuality, equipment or uniform
- ✓ Ensure regular assessments and reports on student progress can be accessed via school website and student planners
- ✓ Set and mark homework
- ✓ Arrange Parents Evenings and other opportunities during which progress will be discussed
- ✓ Keep parents informed about School activities through regular newsletters, the external website and notices about special events via email.
