13 September 2017

Dear Parent/Carer

The new SIMS Parent App

We have a convenient new way to share information with you about your child's school life. From 18 September 2017 you will be able to access our new SIMS app and website, which will in time replace the SLG.

You can access the system from a smartphone, tablet or PC - anytime, anywhere.

What you will find in the SIMS app:

- Important information such as attendance data, timetables and achievement data;
- School term, inset dates and contact details.

You will be able to:

- access to your child's school report;
- update your contact details so we always have the most up to date information in case of emergency.

Information that you receive through the app will help you to stay up to date with your child's school life as well as support your child's development and progress.

Getting started.....

1. From your smartphone or tablet download the app from the Google Play or Apple App store – search "SIMS Parent" From a PC or windows phone, login online at www-sims-parent.co.uk.
2. We will send you an activation email after 18 September 2017.
3. You have two weeks from the date you receive the activation email to click on the link that will be provided in that email to activate your account.
4. You can then login using your normal Facebook, Twitter, Google or Microsoft username and password.
5. If you have any issues or do not receive the activation email please contact slg@thekjs.com

We hope that you find this new way of accessing your child's information helpful and more efficient but if you have any queries please do not hesitate to contact me.

Yours faithfully

Mr M Beston
Assistant Headteacher
